

Base Ten Place Value

Roll a dice to move around the board. Use the blocks to name the numbers. The first player to reach the finish line wins!

The board game consists of a winding path with various challenges and illustrations. The path starts at a blue box labeled "Start" and ends at a blue box labeled "Finish".

Challenges along the path include:

- move on three spaces** (blue box)
- miss a turn** (pink box)
- move on two spaces** (orange box)
- move back two spaces** (purple box)

Illustrations of numbers and dinosaur characters are scattered throughout the board:

- A blue dinosaur shaped like the number 3.
- A teal dinosaur shaped like the number 1.
- A green dinosaur shaped like the number 5.

The path is marked with various blocks representing numbers, such as 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.
