# Design Your Own Rainforest Animal

Now you know about the features of animals from the different layers of the rainforest, design your very own multi-layer rainforest creature which could live in all four layers of the rainforest. Make sure it has the ability to move freely in the emergent layer, the canopy, the understory and the forest floor. Colour is very important in the rainforest as some animals want to stand out and others want to stay hidden.

- Draw your multi-layer animal with great detail.

- Add extra features of your own.

- Label its features.

- Colour your creature.
